

## our tailor made offer

In addition to our catalogue, we offer you our **creativity**, our **experience** and our **infrastructure** in order to respond to **more specific needs**.

### museums and cultural institutions

As a complement to your exhibitions, we offer you the possibility to use our infrastructure, our supports and our packaging in order to **create your own artfriendly editions**.

#### Benefits

- a **surprising** proposition to your visitors
- a contribution to **plant trees**
- **no cost**, but a source of income

### interior architects

Our infrastructure, our experience, our network of artists and of suppliers enables us to answer to most of your **specific needs**.

*Example: hotels, corporate buildings meeting rooms, public spaces.*

#### Benefits

- a true **flexibility** in the formats and the supports
- a **consulting** approach leading to **relevant**, creative and cost effective **propositions**

### events and corporate gifts

We offer you to create completely personalized series around the 1 artwork + 1 tree concept

#### Benefits

- a true **flexibility**
- the possibility to propose a **creative and intelligent gift** which will perfectly match the concept of your event.
- surprising **communication opportunities** offered by Tree-Nation (please feel free to contact us to find out more)
